

## **Georgetown Village Transportation Policy During Pandemic**

- Volunteers and members must remain masked.
- Effective January 1, 2022, all members and volunteers must be vaccinated and have received a booster shot to receive or offer transportation.
- The member should sit in the rear of vehicle on the passenger side.
- Whenever possible, windows should be opened and/or cracked to allow for maximum air circulation.

***Addendum to transportation policy during pandemic.  
All other GV transportation polices remain in effect.***
