Dear GV Members,

We were thrilled to finally host our 10<sup>th</sup> Anniversary Gala and we are sharing a special Anniversary Party supplement with this newsletter. We are very grateful to our sponsors and donors. The fabulous photos were taken by Lien James, we are very fortunate to have her as a volunteer!

June 1, we have a special treat planned! We have reserved tickets for the new C & O Canal boat tour at 4 pm. Sign up quickly, if you would like to join us! We are going to go for a bite to eat after the boat tour at Guapo's, by the water.

May was a wonderful month of bringing back in-person GV Programs. We are once again offering our weekly exercise classes, Basic Training 4 Your Body at 11:30 Mondays and our Men's Group is for lunch the 3<sup>rd</sup> Wednesday of the month at City Sliders. Our book discussion group is also meeting monthly at City Sliders, a convenient location with a great back patio.

We have a very interesting TED Talk discussion planned for Tuesday, June 28 when we will view and discuss "My Secret to Creating Real Magic" with Christin Tost. Christina is the founder of Milk Bar and shares the sugary jolt of her first food memory and behind-the-scenes stories of her bakery's famous inventive cakes, cookies, and treats. This talk may make you hungry-but it will also leave a message about how breaking the rules and challenging your assumptions can make for a sweet life.

Remember Georgetown Village is open all summer, give us a call when you need a hand.

See you soon,  
*Lynn*

## GV Special Canal Boat Tour and Social Hour

Wednesday, June 1-4 pm

We have purchased tickets for our members to enjoy a special trip on the C & O Canal. This one-hour ride includes a guided historical tour of the first mile of the canal. We will learn about the fascinating history, technology, and culture of the C & O canal. In addition, we will learn the surprising stories of the people who lived, worked, and played here over the past two centuries.

The boat boarding area is located at C&O Canal Lock 3, along the Canal towpath between Thomas Jefferson and 30<sup>th</sup> Street. The nearest parking garages are located at 1044 Thomas Jefferson Street NW and 1101 30<sup>th</sup> Street NW.

Following our tour, we will be walking over to Guapo's, 3050 K Street NW for social hour and a bite to eat. RSVP by 5/27 to reserve your ticket, there are a limited number of tickets available.

## Book Discussion-Red Famine-June 20 @11 am 1529 Wisconsin Ave

Our book discussion group is reading "Red Famine: Stalin's War on Ukraine" by Anne Applebaum for discussion this month. This book delves into the famine in Ukraine created by Joseph Stalin in the early 1930s, as he sought to destroy the Ukrainian national movement. Nearly 4 million Ukrainians died and were arrested by Soviet secret police.

This timely choice will provoke a very interesting discussion! Remember you are always welcome to join our discussion, whether it is for just this book, or all the book choices. Call or email the office with any questions or to let us know you will be joining the group in June.
