Dear GV Members,

We are pleased to be able to begin re-offering some of the GV activities that we discontinued during the pandemic. This Summer we are offering our popular Social Hours outside and during a slightly earlier time frame. We will be meeting at 4:30 to give us a better chance of grabbing outdoor tables at a time when the restaurants are less crowded. We hope you will be joining us for a bite to eat and the opportunity to socialize with other members and volunteers.

We are also once again hosting our Annual Ice Cream Social on Thursday, August 18 at 2:30 pm. Meet us at Thomas Sweet Ice Cream and we will treat you to their yummy ice cream that we can enjoy together at their outdoor tables. Please rsvp and let us know if you are planning to join us, so we know who to look for on August 18.

We enjoyed a wonderful new-member lunch last month, and thought we should offer all members the opportunity to get together for lunch! Join us on July 12 to enjoy lunch and get to know other members and volunteers. Members will receive individual checks for their lunches. If this activity is popular, we will offer it as a monthly program.

Remember Georgetown Village is open all summer, don't hesitate to give us a call if you need assistance. Also, if you are planning to do some traveling and would like a volunteer to pass by your home and make sure it does not look empty, we have volunteers who are happy to help you with that.

Hope you have a wonderful summer,

Lynn

Tour of the Georgetown Library Peabody Room July 19-10 AM (Space is Limited)

We have a wonderful opportunity to get a private tour of the Peabody Room at Georgetown Library led by Jerry McCoy. The Peabody Room was named in honor of 19th Century merchant, banker and philanthropist George Peabody. Established in 1935 the room hosts a special collection of Georgetown neighborhood history which includes; maps, photographs, manuscripts, newspapers, etc.

Archivist, Jerry McCoy will show us some of these remarkable documents and share some of the lesser-known neighborhood history with us. This room is located on the second floor of the library and space is limited to the first 10 people who sign up to attend. If we have many more people interested, we will schedule another tour for later that day. Please sign up no later than July 15. Following our tour, we will be walking over to Patisserie Poupon.

Helpful Village Training-Wednesday, July 27 at 2 pm

Many of you have already attended our Helpful Village training and are beginning to use our website. We have scheduled another Helpful Village training for Wednesday, July 27 at 2 pm. This training is for new members and anyone else who would like a refresher course on using our website or who has not attended one of our virtual trainings.

GV Brings Back In-Person Activities

We are very excited to be able to offer you the opportunity to see other members in-person and socialize like the "before times"! We are still trying to keep our members as safe as possible, and therefore, our scheduled social activities are being held outdoors and any indoor activities are limited in size, and participants wear masks. We really hope to see you at our Member Lunch, Social Hours, Men's Lunch or in-person, masked, exercise class.

Don't forget our Basic Training 4 Your Body exercise classes are held every Monday morning at 11:30, unless the office is closed. Mr. William Yates from the YMCA is an excellent instructor and this class is offered free to our members. Cost for non-members is \$10.00 a class. If you are interested in giving these fitness classes a try, you are welcome to stop by for a trial class any Monday.
