Dear GV Members,

SAVE THE DATE: Mark your calendars for December 8
This year's Anniversary celebration will be in person! Based on the recommendations of our Health Care Committee, we will be hosting an Anniversary Reception on December 8 from 5:30-7 pm. The party will take place in the Social Hall at St. John's Episcopal Church on O Street. Mark your calendars and watch for your invitation in your emails.

As we are entering into the cooler months, I want to remind you that our volunteers are happy to provide you with transportation so that you do not need to wait outdoors for public transportation. Also, it is never too early to get on our shoveling list. We will send a volunteer over to shovel your walkway once it stops snowing.

If you are a founding member of Georgetown Village we have included your renewal invoice with this newsletter. Please send your renewal checks in promptly, all founding memberships expire December 6. Those of you who joined during one of our end of year membership drives will also receive your invoices with this newsletter.

As we are getting ready to celebrate Thanksgiving this month, I want to tell you how thankful we are for all of you! Georgetown Village is very fortunate to have such a wonderful membership base of interesting and friendly members. You make our Village a great organization! We are here for you and we thank you for being here with us.

See you soon-Lynn

November 3-11:30 am
Meet at Bitty & Beau's Coffee-3207 M Street NW

Georgetown Village volunteer Mat Gulley is leading a walking tour of local businesses with a social mission. These are businesses that are created to support their communities in ways that are more than transactional. These businesses are an important asset to the community, and we have scheduled this tour for November, so that you might be able to find holiday gifts while supporting one of these businesses.

Businesses we plan to visit include-Bitty & Beau's Coffee, Shop Made in DC, Dog Tag Bakery, Neighbors DC, and a few others, still to be confirmed at press time. Be sure to RSVP so we know who will be joining us.

We are very excited to be able to offer this important program to our members! Dr. Selvaggio is an excellent speaker, who will share important information about oral hygiene during his interesting presentation. He is a graduate of Georgetown University School of Dentistry and had a dental practice in DC for 35 years.

Dr. Selvaggio is a member of the Iona Senior Services citizen Advisory Group as well as Northwest Neighbors Village and he chairs a committee on improving the oral health of our aging population. Dr Selvaggio gives very popular lectures throughout the DC region, and we are happy to have him as our speaker for our first joint CCC program from our Health Care and Program committees.

Our Health Care Committee has been doing a great job of answering questions and addressing the latest health care concerns in their monthly First Monday calls. Join them to learn important information about remaining healthy and the healthiest way to travel, shop, dine, etc. The number to call in and learn is **267-807-9495** Access Code-**190-486-505**
