Dear GV Members,

We have so many fabulous programs this fall, and I am looking forward to seeing many of you enjoying them. In addition to our special programs, described on the back page of this newsletter, our regular programs are pretty special too!

Our Meditation sessions continue every Wednesday at 11 am and attendance keeps growing. I encourage you to give it a try. In addition, our exercise class is well attended and I guarantee that if you ask any attendee, they will tell you how great it is. You can also watch videos of the exercise class by finding the link on our website. In addition, our Coed Mahjong group is playing weekly, and always happy to teach others how to play. Stop by any Monday at 1 pm if you are interested in joining them. This month for Movie Night on October 10, we are watching Will and Harper. The movie has excellent reviews, and we think you will enjoy it.

Between our regular programming, trips, speakers, and special programs, GV members have multiple opportunities each week to engage with other members and friends. This is all in addition, to the numerous services we offer to assist our members, in their homes. Please remember that volunteer assistance is only a phone call away! If you need help with something, give us a call, and we will try to find a volunteer to help you. Remember, the Georgetown Village philosophy is, JUST ASK!

The board joins me in wishing our Jewish members a Happy and Healthy New Year.

Welcome back to those of you who were traveling or away for the summer, we missed you!

Best,
Lynn

Mondays

Oct. 7, 14, 21 & 28-11:30 am

**Basic Training 4 Your Body-
Georgetown Village Square-
(GVS) 1801 34th Street**

Thursdays

Exercise Class-11:30 -GVS

Oct. 10-5:15 pm

Movie Night-

October 17 5:30 pm

**Artificial Intelligence
Presentation**

October 9-6 pm
Bill Plante Conversations
An Evening with Jim Axelrod of CBS News

We have a very special evening planned for our next Bill Plante Conversations event. Join us to hear Jim Axelrod, chief correspondent and executive editor for CBS News' "Eye on America". In addition to his work on "Eye on America" Axelrod also reports for CBS Mornings, CBS News Sunday Morning and the CBS News Streaming Network.

Axelrod's reporting has won several awards, including the Peabody Award for his reporting on the opioid addiction crisis and five Emmy Awards. He will discuss his in-depth reporting on key issues and answer questions about his experiences.

This program is the third of our Bill Plante Conversations, when we offer our community the opportunity to hear from media experts. These programs are free and open to the community, please invite your friends and neighbors. Be sure to RSVP so we know how many people to expect.

October 17-5:30 pm
Prof. Greg Tomsho
Artificial Intelligence Presentation
Meeting ID 844 8451 7780
Passcode: 349235

Many of us have questions about Artificial Intelligence; how it works, how we can best integrate its' use into our lives, how safe it is, etc. Greg Tomsho is the Program Director of Networking and Cyber Security at Yavapai College in Arizona. He has taught many classes on Artificial Intelligence and other areas of Computer Science.

In addition, Greg is Patricia Scolaro's nephew. Pat was a founding board member of Georgetown Village, and former Treasurer. Currently, Pat serves on our Advisory Board and is an active member of our Program Committee.

October 23- 2pm
Tour of the National Cryptologic Museum
8290 Colony Seven Road
Annapolis Junction, Md 20701

The National Cryptologic Museum is NSA's gateway to the public and educates visitors about the role of cryptology in shaping history. The museum collects, preserves, and showcases unique cryptologic artifacts and shares the stories of the people, technology, and methods that have defined cryptologic history. We have scheduled a private tour for GV members and volunteers.

If you are interested in participating in this trip, please RSVP by October 18, we will arrange transportation.
