Dear Georgetown Village Members and Friends,

**Please note that this newsletter covers both March and April programming, as I will be away from March 15 to April 4.**

As some of you know, our son serves as an officer in the Navy and he is currently stationed in Japan. Since we look for any opportunity to see him—and have never visited Japan before—this felt like the perfect time to make the trip. I look forward to sharing stories and experiences from our travels when I return!

I have included all available information as of the end of February. As always, updated program information will be sent out in our weekly email please feel free to contact the office to confirm details.

We have a number of exciting programs to look forward to for the next few months and I am excited to have so many great offerings to share with our members and community! In addition to Tevi Troy, Rita Braver, and Mark Greenwold, we have some fun excursions planned for our members.

We have also scheduled a Medical Note-Taking and Friendly Companion in a Medical Setting Training for our volunteers. This is an additional training offered to our vetted volunteers by Sara Robart RN, RN-BC and I. Sarah is a village volunteer and active member of our Health Care Committee. These services are available to our members, and we encourage you to let the office know if you would like a note taker to go with you to a medical appointment to help you keep track of information.

We have purchased a limited number of tickets for Arena Stage's Production of the Age of Innocence on March 20 at 12:00 pm. Following the performance there will be a post-show discussion.

*Best,  
Lynn*

Our next two months are offering very special social hours for our members! On March 5, our favorite mixologist, Joseph Olchefske will be treating us to some unique cocktails to look for in your travels. These cocktails are specific to certain regions in the world, and we will learn their history, and of course, enjoy tasting a unique variety of beverages. As always non-alcoholic refreshments will be available.

On April 9, Pat Henry and Dorothy Mora will again treat us to some lovely Celtic music to enjoy with our wine and cheese. Join us to enjoy their lovely music with some great company.

Join Georgetown Village for a special musical program featuring accomplished pianist Mark Greenwold. Mark will perform selections from the great masters while sharing fascinating insights into the composers and the historical context of their works. Having presented this program before to great acclaim, he brings both musical talent and engaging storytelling to the experience.

The program will begin with refreshments, followed by the performance promptly at 5:00 PM. Don't miss this opportunity to enjoy beautiful music and a deeper appreciation of the composers behind it.

**The Age of Innocence**  
**April 20-12:00 pm -Arena Stage**

Georgetown Village has purchased 10 tickets to this performance. Following the performance there will be a post-show discussion led by Arena Stage. Recently, when we offered this type of programming, people have reserved tickets but not been able to attend. As this costs the Village, we are now instituting a new policy. If you are interested in attending the show, we are asking you to commit to purchasing the ticket, and if you are unable to attend, it will be your responsibility to find a friend or neighbor to purchase your ticket. We can take ticket payment reimbursement to the Village via checks or credit cards. More information in email. Please feel free to call us with any questions or comments.
